ABOUT OUR NEWSPAPER

ABOUT US

Established in March 2007, Ikhwezi laseMthatha is a dynamic isiXhosa newspaper promoting indigenous languages. Based in Mthatha, it covers the diverse OR Tambo region, reaching LSM 3-9 readers. Published bi-monthly, it offers diverse perspectives and vital insights. Understanding the socio-economic profiles of its audience, it tailors content and advertising, contributing to inclusive representation in media.

OUR VISION

Our vision at Ikhwezi laseMthatha is to be the beacon of credible isiXhosa journalism, keeping communities informed and empowered. We strive to provide vital content in our indigenous language while serving as a powerful vehicle for advertisers to connect with their target audience effectively

OUR MISSION

- - Provide Fair and Credible News: We are committed to delivering unbiased and accurate reporting, driving the mission of independent voices for the people, ensuring transparency and integrity in our journalism.
- - Serve as an Information Center: Our mission is to bridge the information gap in underserved villages by providing access to vital news and resources, empowering communities with knowledge and awareness.
- - Sustain and Digitize: We aim to sustain our newspaper while embracing digital transformation, making our content accessible to a wider audience digitally. Our mission is to evolve with technology, ensuring seamless access to information for all.

DID YOU KNOW?

**ADVERTISING IN
COMMUNITY
NEWSPAPERS
WORKS.**

Advertising in printed community newspapers wields significant influence by targeting local audiences effectively. These papers, deeply embedded in their communities, serve as trusted sources. Offering hyper-local targeting, they reach specific demographics, fostering stronger business-consumer connections. Supporting local journalism, ads contribute to community vitality and the economy. Leveraging the reach and credibility of these newspapers, advertisers can promote products/services while bolstering community vibrancy.
